

BOOK OF J

Diaspora Freak-Folk Release

Dear Friends,

Jewlia Eisenberg (Charming Hostess) has a band with Jeremiah Lockwood (Sway Machinery). This band, Book of J, has a debut album out next week. We are doing west coast release shows in SF and LA.

Consensus is that we sound like the Weavers for the end times. Freak-folk and diaspora consciousness. See for yourself [here](#), [here](#), or [here](#). Read about us below. And if you still do this kind of thing, buy the album thru our [label](#) or [itunes](#). And there's more on our website: www.BookOfJ.com

Hope to see you soon!

Jewlia
