Dear Friends,

Wow, a big summer! In July, Book of J was Artist-in-Residence at [YIVO](#). We facilitated an open archive process with the papers of Celia Dropkin during the week, and played every Saturday at Barbès. Other summer highlights were incubating new work with [Archive Transformed](#) and playing [Yerba Buena Gardens Fest](#) with one of our fave bands, Innov Gnawa. Upcoming shows in the Bay and NY follow; hope to see you! ~Peace, Jewlia
