Jewlia ○ Book of J ○ Charming Hostess

Hi Folks,

Here are the upcoming shows for Jewlia with Book of J and Charming Hostess! April's show is in SF with Fraternal Order, the disciples of Piedmont blues legend Carolina Slim. May is in DC with JxJ, the Washington Jewish Music and Film Festival. Tell your DC friends! And in June, a rare show with Charming Hostess as part of the Immigrant Voices series at SFLive Arts. We will play a mix of Sephardic women's songs and probably some from the Ginzburg Geography for fun, since the other band is Italian. Hope to see you soon!

The BBC calls Book of J: "A wonder of haunted American roots music, taking listeners from Yiddish laments to labor anthems via mystical twists and turns."

The *SF Chronicle*: "Jewlia Eisenberg's work is irreverent and ambitious. Charming Hostess radiates female energy with singing that transforms the spirit."
